THE GOODALL

NEWS FROM THE COAST SANTA MARTA

DEAR FRIENDS, PASTORS & FAMILY,

How we wish we could pull up a chair next to each of you, pour you a cup of good Colombian coffee, and tell you these stories face to face! Please take this letter as a warm hug from Santa Marta. You are not just supporters- you are friends and family who carry us to the trone of grace, and we thank the Lord for you often.

GOD'S HAND OF PROTECTION

A few weeks ago we had a scare. While I was teaching the Bible story at the children's club, a motorcycle stopped in front of us and the rider began taking pictures of me and sending them by WhatsApp. God showed His hand of protection — so far we have seen no threat come from it. Thank you for praying over our family.

FELLOWSHIP ON THE ROAD

We worshiped on a Sunday morning with Pastor Rafael Gómez at the Iglesia Bautista Independiente de Barranquilla. Afterward both families traveled to Cartagena for an anniversary conference, and we enjoyed two days of vacation getting to know the city as a family.

FRIENDSHIP DAY — SEPT 19

Colombia celebrates Valentine´s Day in September, so we held a special event. Pastor Duarte brought children from his club, and we had a wonderful time with five neighborhood children, a lady, and a young woman who visited. Then we went to a main park to hand out treats, each with a tract sharing the church's information and the gospel of Jesus.

OUR NEIGHBORS ARE LISTENING

Our neighbors keep sitting outside everytime we have a service, listening to the preaching. When Mr. Jorge was sick, I brought him some groceries and prayed with him. Irene still joins us from time to time.

FROM OUR HEARTS

Thank you for your faithful financial support and for every prayer. Everything God is doing here, you are part of it. We love you!

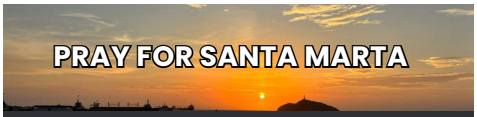

Your missionaries,

Ryan, Claudia, Levi & Neal Goodall

A WORD FOR THE SEASON

"The LORD shall preserve thee from all evil: he shall preserve thy soul. The LORD shall preserve thy going out and thy coming in from this time forth, and even for evermore."

PSALM 121:7–8

After thearmy killed a leader of the Sierra Nevada cartel, the city endured three days of shutdown — threats and shootings against any shop that opened. We canceled our midweek service. Life is returning to normal, but fear remains, helicopters fly constantly, and the cartels' power struggle goes on. Please pray for us.
