The Goodall in Colombia

Dear friends and family,

What a joy it is to share with you what God has been doing this month! Thank you for walking alongside us through your prayers and your love.

In October we had the privilege of traveling to Barranquilla to visit Independent Baptist Church, pastored by Rafael Gómez. Pastor Gómez was recovering from surgery, and it was a blessing to help him by preaching the Word and encouraging the congregation during this time.

Kids' Club: A New Schedule

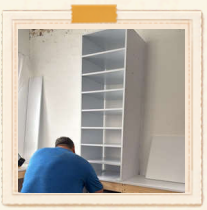

Our kids' club keeps going strong, now with a few changes! We moved it to the afternoon because we've seen better results. Because of that, we're no longer able to help with the kids' club at Pastor Juan's church, so they decided to bring their children to our club every two weeks. This way, the members of their church can keep learning how to minister to children.

New Faces, New Families

We thank God for Anibal, Maria and their daughter Hilary, who have started coming to church. Please keep praying for them! Our neighbor Irene also continues to join us on Sunday afternoons and Thursdays.

We were so happy to finally meet Marlon! This past Sunday he came to church with his wife, his daughter Ruth and his grandson Eliam, and they've told us they want to attend faithfully. Please pray for this family.

Pastor Juan and his family continue to support us by attending on Thursdays and Sunday afternoons, and sometimes I ask him to preach. In the same way, we try to help them at their church with music and teaching.

Thanking God for His Provision

This month we received a special offering from the Children's Department of Faith Baptist Church in California. With it we were able to buy a copier and materials to build desks and office furniture, and set a little aside toward the freezer we're saving for, so we can store our monthly groceries, since temperatures here are very high. Thank you, dear friends!

Every day we see more clearly the need for a vehicle. Anibal and his family walk 20 minutes to get to church, and Marlon and his family have to take a taxi. With a vehicle, we could offer a ride route to bring them. Please join us in praying for this provision.

Thank you from the bottom of our hearts for your love, your prayers and your faithfulness. Each one of you is part of what God is doing here in Santa Marta. You are in our hearts, and we're praying for you too.

With love and gratitude,

The Goodall Family

Christmas Project: The Best Gift Is Jesus

We're planning several activities for the coming months, and one of the biggest is a Christmas celebration for the children in our club. We want to teach them that the greatest gift they can receive this Christmas is Jesus, and also give each child a present.

Goal: 40 to 50 children • $10 per child

To be honest, we can't do this alone. If you'd like to be part of this project as a church, a family or an individual, please contact us!

Most of all, we ask you to start praying now for these children, that they would receive the message of salvation along with the joy of a Christmas gift.
